Neighbors"*

Our Mission

We believe that no one should go hungry and that there is enough food for everyone.

The West Chester Food Cupboard exists to provide supplemental food assistance to eligible, low-income families and individuals in need. Clients of the Food Cupboard must be below 150% of the poverty level.

As “Neighbors Caring for Neighbors” we provide a 5-7 day supply of food on a monthly basis to people in need who live in the West Chester area.

About Us

Founded in 2009, on the former site of the Cares Food Network cupboard, the West Chester Food Cupboard is run by a team of more than 50 people, all volunteers.

Hours of Operation

Tuesdays and Thursdays

9:30 AM – 11:30 AM

2:00 PM – 4:00 PM

Clients are asked to bring proof of address the first time they come to the cupboard or when there is a change of address.

Clients are also asked to indicate household income and the number of people in their family.

Clients choose the items they would like to receive as a volunteer guides them through the food cupboard.
